

3 Pronged **Interlocking** Approach

Development of Internalized Core Virtues

- 36 weekly radio episodes: "McBeaver Mondays!"
- High energy and lots of fun: works well for grades K-6
- Designed specifically for school PA systems
- Each episode is under 8 minutes in length
- Covering 18 core character values: 2 episodes each
- Integration of the **C.A.R.E.** System
- Includes optional mini-lessons for PA and class use

Skill Development and Personal Life Application

- Designed for small and large group guidance
- Suitable for use by classroom teacher
- 16 short PDF lessons that aligns with radio series
- In depth and personal look at the **C.A.R.E.** System
- Students develop personal bond with the characters
- Great visual to teach and reinforce the radio lessons
- Students work to solve their school behavior issues
- Includes radio **bonus** features: unlimited school use PDF posters, video and audio theme songs, and College Crew member clip art for students/teachers

Reinforced Learning and Repetition of Skill Use

- Plays like Pokemon/Yugioh with powers and points
- Focus on virtues and skills of College Crew members
- Reviews concepts from Achiever Radio and Guidance
- Repeat exposure to core value based concepts
- Students interact and bond with the characters
- Great visual to teach and reinforce radio lessons
- Learning format that kids are **already** used to
- Integrated focus on the **C.A.R.E.** System
